

CONSULTANT PROFILE – AMY FELIX-REESE**EXPERIENCE AND PROFESSIONAL EXPERTISE**

Amy Felix-Reese is the founding Principal of Inside Counts, LLC. Formerly, Innovative Performance Solutions, Inside Counts (www.insidecounts.com) was established in 1998 to further human performance and results among leaders and thus, organizations in the realm of leadership and team performance.

Amy and her associates work with leadership teams and individuals to create renewed focus and results. Her vision is to build successful business leaders who contribute to organizational and community wellness, from the inside-out.

Through coaching, consulting, and facilitation, Amy has personally helped move leadership and their teams to:

- **Develop clear and grounded leaders**, building on their natural talents and strengths.
- **Focus on the right things for the right organizational results** by applying the right balance of skills, time focus, and work values.
- **Build high performing, cross-functional teams.**
- **Implement a strategic leadership development plan** that addresses short and long term goals.
- **Revisit strategy to better align with evolving industry and organizational needs**
- **Reframe old beliefs and practices** to lock-in competitive contributions.
